

# WYLAND FOUNDATION

November 11, 2009

Dear Julia and the Eco Hero Kids:

On behalf of The Wyland Foundation I would like to thank you for your appearance at the 6<sup>th</sup> Annual Wyland Foundation Fundraiser. Your music was very enjoyable. Your commitment to helping bring awareness to our environment is sincerely appreciated.

Your generous donation of music and time helped to raise \$50,000 and has directly supported the Wyland Foundation's ongoing efforts to inspire action through programs such as the Clean Water Mobile Learning Center, classroom curriculum, and FOCUS (Forests, Ocean, Climate — and Us).

Thanks again for your kind support of our efforts to bring awareness to saving our planet and protecting the waters of the world.

Best wishes,

Sherry Eaton and the entire Wyland Foundation Team
